

REMARKS

The Applicants respectfully request reconsideration of the present application in view of the foregoing amendments and in view of the reasons that follow.

This amendment adds, changes and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

Status of the Claims

Claims 1-23 and 39-41 are requested to be cancelled without prejudice to further prosecution on the merits. Claim 38 was previously cancelled without prejudice to further prosecution on the merits in the Reply and Amendment filed December 30, 2004.

Claims 30 and 32 have been amended for clarity.

Claims 42-68 have been added.

After amending the claims as set forth above, claims 24-37 and 42-68 are now pending.

Election/Restriction

On page 2 of the Office Action, the Examiner indicated that:

Restriction to one of the following inventions is required under 35 U.S.C. § 121:

- I. Claims 1-23, drawn to a merchandising system, classified in class 211, subclass 059.4.
- II. Claims 24-37, drawn to a merchandising system, classified in class 211, subclass 059.2.
- III. Claims 39-41, drawn to a merchandising system, classified in class 211, subclass 059.3.

The Applicants respectfully disagree with the Examiner's conclusion that restriction is proper in this case. Nonetheless, in order to further prosecution on the merits, the Applicants have elected Group II (Claims 24-37), and have cancelled Claims 1-23 and 39-41. New claims 42-68 have been added, and are believed by the Applicants to be included in Group II.

The Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 06-1447. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1447. If any extensions of time are needed for timely acceptance of papers submitted herewith, the Applicants hereby petition for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 06-1447.

Respectfully submitted,

Date 5/26/05
